

A Charter for Early Years Professionals

A **Charter** for **Early Years Professionals**

Early Years Professionals are highly skilled graduates working to ensure every setting for under-fives gives every child the best possible start.

EYPs in Aspect call for:

- Professional pay for professional leadership
- Genuine parity between Early Years Professional Status (EYPS) and Qualified Teacher Status (QTS)
- A clearly-defined national pay framework
- Ongoing professional development entitlements and funding
- Post-accreditation specific support (NewEYP entitlements)
- Career progression routes throughout early years

Professional workers deserve professional respect and reward
